PATENT OFFICE NOTICES

Early Notification of Serial Number

To ensure prompt notification of the receipt of newly filed application papers, self-addressed post cards will be date stamped and promptly returned to the sender by the Correspondence and Mail Division.

If early notification of the *serial number* is also desired, an additional self-addressed post card should be submitted. Upon receipt of application papers with two return post cards, Correspondence and Mail Division will stamp both cards with the receipt date and return one card to the sender. The second card will be forwarded to the Application Branch where both the card and application papers will be stamped with a serial number and the card returned to the sender.

The identifying data on the post card intended for evidence that the Patent Office has received a complete set of application papers should include applicant's name(s); title of the invention; number of pages of specification, claims, and sheets of drawing; whether oath or declaration used; and amount and manner of paying the fee.

When more than one set of application papers is filed under one cover, a return post card should be attached to each set of papers for which a receipt is desired.

RICHARD A. WAHL,
Mar. 10, 1971. *Assistant Commissioner.*

Republication of Marks Published for Opposition in the Official Gazettes (Trademark Section) of February 2, 9, 16, and 23 and March 2, 9, and 16, 1971

Since it appears that a substantial portion of the interested public did not receive copies of the OFFICIAL GAZETTE (Trademark Section) for the issues of February 2, 9, 16, and 23 and March 2, 9, and 16, 1971, in sufficient time to consider the filing of oppositions, all marks published for opposition in those issues are hereby declared to be republished as of March 23, 1971, pursuant to Section 12(a) of the Trademark Act of 1946, as amended. Opposition to those marks may be filed within the time after March 23, 1971, specified in Section 13 of the Statute or by Rules 2.101 and 2.102 of the Trademark Rules of Practice. Any oppositions to these marks received prior to this republication will be considered to have been timely filed.

WILLIAM E. SCHUYLER, JR.,
Feb. 25, 1971. *Commissioner of Patents.*
